

HABITAT

The Habitat collection is suitable for floors and walls, it looks stunning in kitchens, bathrooms, and living areas. Because it is porcelain, it is very hard-wearing and is suitable in highly-trafficked commercial areas such as bars, restaurants, or shops. It is considered being secure for both dry and wet environments, and easy to clean, which makes it perfect for use in home environments varying from damper areas such as bathrooms and kitchens, to hallways and even living rooms.
